

Sheriff's Aide Talks to Carson Civic Association

E. N. Bailey of the patrol division of Firestone sheriff's station gave a talk on functions of the sheriff's department to the Carson Civic Betterment Association at its meeting at the Carson branch library.

Bailey described seven major divisions of the sheriff's department, with a summary of the services offered by each.

He said citizens' cooperation in reporting information concerning crime would result in prompt and efficient service.

The Firestone station is located at 7901 S. Compton Ave.

THOMAS P. PHELAN, CHAMBER SPEAKER

Stock Exchange President to Be Breakfast Speaker

Thomas P. Phelan, president of the Los Angeles division of the Pacific Coast Stock Exchange, will be the featured speaker at the November breakfast meeting of the Chamber of Commerce Tuesday at 7:20 at the Torrance Masonic Lodge.

Chairmen George Vico and Marvin Lucoff said Phelan is rated as one of the top speakers nationally in economics.

Phelan, a native of Los Angeles, received his AB in economics at UCLA in 1929. He has been in the securities business since 1929, with the exception of seven years, 1940-47, when he was em-

ployed by Vultee Aircraft as assistant to the vice-president in charge of production.

Upon graduation from UCLA, he started his career in the securities business as clerk in the statistical department of the Los Angeles Curb Exchange.

He has been in charge of various departments of the Stock Exchange following the merger of the Los Angeles Curb Exchange with the Stock Exchange in 1934.

Phelan returned to the exchange in 1947 as vice-president and secretary, was appointed executive vice-president in 1951, and was elected president in March.

Harry Lintz, District Manager of the Chamber of Commerce of the United States will be a special guest.

Slated to receive certificates, in addition to Chairman William Holmes are: Scott Albright, Bob Carleson, Bob Decker, Dick Fitzgerald, Harold G. Frentz, W. H. Greenawalt, B. Kenneth Gibson, Bill Hanson, Paul Hardie, Bob Morris, J. H. Paget, R. S. Pyle, Cliff Samson, William Sells, John W. Sharron, Andy Shoemaker, and John Wallace.

EYESTRAIN Is Often Caused by Ill-Fitting Frames

Poorly adjusted glasses frames are a leading cause of eyestrain, especially when eyes are used for close work. If you are conscious of rapid tiring when reading, drop in at our office the next time you are downtown. Let us straighten the frames of your glasses, align the lenses, and adjust the nosepieces without the slightest obligation on your part. It is unwise to suffer loss of eye comfort when a few minutes time can remedy the condition.

You are invited to consult us on ALL your optical needs—continuous vision glasses, blended lenses, TV glasses, sun glasses, the new plastic contact lenses. 32 Years in Harbor Area
